I Putu Eka Priyanthara

Denpasar, Bali | 085175007778 | ekapriyanthara@gmail.com | https://ekapriyanthara.vercel.app

SUMMARY

I am a graduate of Institut Teknologi dan Bisnis STIKOM Bali, majoring in Computer Systems with a concentration in Networking and Cyber Security. I have personal experience in developing web applications, including my final college project. I am eager to apply my technical skills and analytical problem-solving for roles in Software Engineering, Web Development, or IT/Network Infrastructure.
